## CHRONICLE SEASON OF SHARING FUND

Not much is certain, home should be. Over the past year, your generosity enabled us to provide hope and a helping hand to stabilize our Bay Area neighbors in crisis.

Your donations make it possible for us to provide timely assistance, so a one-time emergency doesn't have lasting consequences. And a household remains housed long after the crisis passes.

Through your support, we were able to cover Keoni's rent so he could keep the family's apartment after the devastating loss of his mother:

**"I'VE GOT CHILL BUMPS RIGHT NOW JUST THINKING ABOUT THEM," EXPLAINED KEONI'S CASEWORKER. "THIS YOUNG MAN WAS 18 AND HE HAD TO BECOME A MOTHER, FATHER AND BILL PAYER."**

Together, we ensured kindness prevailed in the midst of uncertainty for Keoni and thousands more people in the Bay Area this year. In 2023-2024, you made it possible for us to cover 4,752 months of housing and provide 3,908,108 healthy meals.

As always, every dollar donated goes directly to prevent homelessness and assist local individuals and families in crisis, as the Evelyn and Walter Haas, Jr. Fund and the San Francisco Chronicle cover all administrative expenses.

Our homelessness prevention model is tried and true. We are currently working to expand our reach and serve more households with acute need and minimal resources, so they can find stability in the midst of crisis. We appreciate your sustaining support as we open our doors and our hearts to more people throughout the Bay Area.

With gratitude,

Kevin Swanson

## TOGETHER WE HELPED...

After their mom was hospitalized with COVID, **KEONI** and his three younger brothers never got to say goodbye. Like many children during the pandemic, they were suddenly orphans with an uncertain future. At 18, Keoni was determined to maintain his family and keep alive their mom's dream of a good life in California. They just needed some help to catch up on rent while he sorted out his new household.

## TOGETHER WE HELPED...

**JOSE** and his family faced a medical crisis. When doctors dismissed his daughter's pain, he wouldn't quit until one finally found the tumor on Patti's spine and rushed her into emergency surgery. She underwent countless rounds of chemotherapy and radiation but is now on a smoother road forward. Season of Sharing Fund helped stabilize their housing until Jose sorted out the new normal.

# DISTRIBUTION OF FUNDS 2023 2024

Keeping Bay Area Families Housed and Food on Their Tables

Generally, 85 percent of our total funds are distributed for housing assistance and critical needs, and the remaining 15 percent is allocated to Bay Area food banks for responsive pantry services. In order to meet real-time needs and be responsive to community crises, we work closely with our county partners and direct funds accordingly.

All administrative expenses are covered by the Evelyn and Walter Haas, Jr. Fund and the San Francisco Chronicle. As a result, 100 percent of the money raised by Chronicle Season of Sharing Fund goes directly to help our neighbors in all nine counties of the Bay Area.

\*Months of rent are an approximation.

## TOGETHER WE HELPED...

**MARLUS** was a retired nonprofit leader with chronic health issues that put her in a precarious situation. For many renters, major medical bills can turn one hospitalization into a crisis. Marlus ultimately found herself sleeping in her car until Season of Sharing Fund helped her with the costs to move into an affordable senior apartment with her dog.
