2025-2026
Annual Report

evelyn & walter
HAAS JR. fund
San Francisco Chronicle

Forty years ago, two Bay Area institutions came together to create an innovative partnership, which has inspired generations of kindness.

Our founding partners – San Francisco Chronicle and Evelyn & Walter Haas, Jr. Fund – saw a problem and an opportunity.

The problem: a one time financial crisis in a family's life could result in them losing their home.

The opportunity: bring Bay Area neighbors together to respond to these unexpected crises and stop the spiral so people could remain in their homes.

Today, our founding partners continue to cover Season of Sharing Fund's operating and marketing costs, so every dollar donors give goes directly to help our neighbors navigate unexpected crises.

Your donations make it possible for us to meet the moment with timely, life-changing assistance – so a one-time emergency doesn't have lasting consequences. Through the generosity of supporters like you, we're celebrating 40 years with some truly humbling milestones:

- Giving Bay Area neighbors a way to provide more than \$235 million in life-changing support
- Delivering stabilizing housing assistance to 200,000 households when it's urgently needed
- Providing 75 million nourishing meals through partnerships with Bay Area food banks
- Leading a network of more than 150 community partners to meet the unique needs in our diverse region

We believe that preventing the spiral into homelessness has outsized impact that is not only kind, but effective for our neighbors and our communities. We're grateful that we can give Bay Area neighbors a way to provide life-changing support to each other when it's needed most.

Thank you for joining us and proving that kindness, giving, gratitude, sharing and hope are always in season in our Bay Area.

With much gratitude,

Kevin Swanson
Executive Director

“It’s good work that you’re doing.”

Season of Sharing contributors Steven Mavromihalis-Boides and Patrick Carlisle.

In tough times, a sudden illness or loss of work can spell disaster for those who can afford it least—the breadwinners of poor families, the disabled, the elderly. Too often adverse temporary

“We can’t really imagine what life is like not being able to afford medical attention for one’s child.”

SHARING

For 40 years, Season of Sharing Fund has given Bay Area neighbors a way to provide life-changing support to each other when it’s needed most.

In 1991, local real estate brokers Steven and Patrick celebrated a successful year by sharing their good fortune and helping Bay Area neighbors weather the recession.

OUR COMMUNITY IMPACT

2025-2026 DISBURSEMENTS BY COUNTY

Each year, 85 percent of our total funds are distributed for housing assistance and critical needs, and the remaining 15 percent is allocated to Bay Area food banks for critical pantry services. In order to meet real-time needs and be responsive to community crises, we work closely with our county partners and direct funds accordingly.

All administrative expenses are covered by the Evelyn and Walter Haas, Jr. Fund and the San Francisco Chronicle. As a result, 100 percent of the money raised by Season of Sharing Fund goes directly to help our neighbors in all nine counties of the Bay Area.

*Months of rent are an approximation.

GIVING

Season of Sharing Fund helped David with the move-in costs for his first apartment after completing a yearlong residential recovery program.
